

THE PROPOSED Mokena Mall as visualized in a planner's sketch. The Mokena Chamber of Commerce is raising funds to carry out the program. Chamber official report

an excellent response in the plan. Improved parking facilities are included in the plan.

CROP Launches Food Drive

The Will County CROP appeal is headed this year by Charles Deutschman of Elwood, chairman.

Campaign director for the CROP drive will be William Polley of Plainfield.

Since 1947, CROP has provided food and supplies worth \$19 million for distribution through church agencies overseas. In addition, contributions to CROP have paid for the handling and distribution of government donated foods valued at about \$75 million. Nearly \$3 million was transferred to other agencies at donor's request during the past two decades.

Others named to serve on the CROP board for Will County are Edwin Dempsey, Route 3 Joliet, vice chairman; Miss Sue Carol Pajak, Lockport, secretary; Richard Kennedy, Lockport, treasurer; Allan May, Joliet, publicity director; the Rev. Dean Klontz, Wilmington, promotion director; Harlow Nicholson, Elwood, Friendship Acres chairman and James Tilsy, Mokena, commodity manager.

Oct. 15 Is Pick-Up Day For Mokena

Next Tuesday, Oct. 15, will be Pick-up Day for Mokena residents.

Thru arrangements by the village board the garbage collecting firm that serves Mokena will haul away old appliances and other outmoded or broken down home furnishings and junk.

All the householder has to do is get the stuff out alongside the garbage cans.

No garbage tax is levied in Mokena. Residents there pay their own disposal bills but in the matter of the junk pick-up next Tuesday the village is footing that bill.

Fire Prevention Week Parade Draws Crowd

Despite the rain in the forenoon and the skies threatening to make a day of it, a large turnout lined the streets at New Lenox last Sunday for the annual Fire Prevention Week parade.

The event brought representatives from all the fire departments in the Des-Plaines Valley Firemen's Mutual Aid Association. The New Lenox department was host.

These departments are made up of volunteers who are not paid for their community service.

The parade started from the Oakview School grounds, proceeded to Lincoln Highway, thence to Pine St. and on to Haven Av., where it disbanded at Cedar Rd.

Besides the many pieces of apparatus from the various departments, the parade also was marked with a variety of floats, bands and other marching units.

Improve Pay Package At Mobil Chem.

Marvin Brownell, plant manager at Mobil Chemical, Frankfort, has announced improvements in the company's wage and benefit package for local employees.

This includes a five per cent general increase, increased starting rates, improved pay ranges as well as an improved hospitalization program that includes major medical coverage. The tuition refund has been increased to cover 75 per cent of tuition costs. Any full time employee can make use of this arrangement in attending college or trade school part-time.

The company is now constructing an additional warehouse containing 75,000 square feet of floor space to meet expanding needs.

There was a Horsemen's group from Lockport, and the Joliet Shrine Club's precision motorcycle unit was present.

The Lincoln-Way and the Tinley Park High School bands participated in the parade, as did the New Lenox Grade School band, Color Guards, Scouts, village officials and other organizations.

Following the parade there was a speech by W.J. Eckert, director of the firemen training institute at the University of Illinois and the presentation of awards to parade winners.

Trophy for the best over-

all unit went to East Joliet.

Free refreshments were served the marching units at the Methodist Church across Haven Av., north of the speaker's platform.

While the fire departments that serve the villages are manned by volunteers, the men put in long hours training in the various phases of fire fighting and do an excellent job. The village departments have fine equipment and the crews that man it know how to use it.

The men also are trained in first aid and some of them specialize in the operation of inhalators and rescue work.

L-W Host To Eagles In Tilt This Weekend

With Lincoln-Way taking the count in their first three conference football games the Knights will be host to Carl Sandburg this Saturday and a win would ease some of the smart from three defeats suffered.

Sandburg is unbeaten this season. Last Friday the Eagles downed Reavis 13 to 7 and if the Knights can take Sandburg it will be quite an upset.

Last Saturday the Knights played Rich East at Park Forest and the East outfit went to town, coming out on top of a 34 to 7 score.

The host school scored a touchdown in each of the first three periods and chalked up 13 points in the final frame. Lincoln-Way made its score in the third quarter starting at the L-W 35. Quarterback Harold Webb dodged and twisted his way for 24 yards, carrying the ball to the Rich 42. Vaughn Karkos made eight yards thru the line and a 15-

yard penalty against East gave Lincoln-Way possession on the 15.

Larry Martin drove for 10 yards and it was first and goal on the 5-yard marker. Karkos churned to the 1, from where Webb sneaked it thru for six points with six seconds left in the quarter. Webb's pass to Mangun for the extra point was good.

The Rich crew, known as the Rockets rolled up 185 yards rushing to 135 for Lincoln-Way but the gap was really wide in the aerial department. Rich gained 171 yards passing to 18 for the Knights. Lincoln-Way had nine first downs, Rich, 17. Each team lost the ball on a fumble. The Knights lost 65 yards thru penalties, Rich 35. Jeff Roberts, the Rockets fullback, and Dennis Randall, another back, each scored two touchdowns and Rick Johnson, the Rich quarterback passed for two others. One of the exciting plays was when Hettler, a

Response To Mall Fund Appeal Good, Chamber Reports

The public's response to its plan to raise private funds for the purchase and development of the Mokena Mall and parking area, is very gratifying, according to a spokesman for the Chamber of Commerce, sponsor of the proposed program.

Cash in hand as of this week totals \$5,000, it was reported by Chamber officials. This has been raised thru donations of individuals and business firms in the

area. With the cash, plus pledges, the Chamber reports, the fund now totals \$12,500.

This dramatic response, the Chamber spokesman said, has come from only a dozen of contacts made when the officers sounded out a few people to get their reaction to the project.

"We are pleased with the pride which this action shows in our community," said Will Tuttle, president of the Mokena Chamber of Commerce. "With this kind of response Mokena will demonstrate to the area what a small community with spirit can accomplish."

An organized drive to contact business firms, individuals and organizations in the area will be launched soon, it was said.

The Mall, which would be created between Front St. and the Rock Island Lines right-of-way, would take the place of the present cinder covered expanse between Mokena St. and Wolf Rd.

The planners propose that the area be landscaped for beauty, with trees and grass, and that the part which would serve car owners with parking space should be black-topped.

Such a project, Chamber spokesmen say, would beautify the town and enhance property values.

The property, with the exception of a piece at the west end, just east of Wolf Rd. is owned by Sheldon Hauck, New Lenox businessman, and it is said that both owners are willing to sell.

Dist. 122 Busy With Fall Sports

Coaches Ed Sams and Dick Spink are working with 60 junior high school boys in programs in flag football and soccer.

Practice sessions are held each evening after school. Several intersquad games in flag football are scheduled. In addition to inter-squad games in soccer, the Vikings will play the frosh soccer team of Providence High School.

The fall program is scheduled to coordinate with the Pop Warner Football program. All 6th, 7th, and 8th grade boys are eligible to participate in the program.

Yuletide Mailing Schedule

Area postmasters have a message for patrons who send Christmas packages.

While this is but the first week in October it is time to think about getting those Christmas gifts on their way, the postmasters say, especially if they are going overseas.

If the packages are going by boat they should be mailed between Oct. 14 and Nov. 9, according to the schedule.

For S.A.M. (space available mail that is to be air lifted) the dates are Oct. 21 thru Nov. 23.

For P.A.L. (must be parcel air lift) the dates are from Oct. 28 to Nov. 30.

Air Mail (with the proper postage) can be sent from Nov. 30 to Dec. 11.

Parcel post packages destined for distant parts of the United States should be posted before Dec. 2, it was said, and not later than Dec. 14 if going to nearby states.

At Convention

Russell Smith, of Frankfort, a technical service manager for Standard Industrial Compound Co., is one of the speakers at the 38th national convention of the Wire Association, in session at the Shoreham Hotel, Washington, D.C.

PTA Book Fair, Open House Set For Oct. 15

The Orland Park Junior High School will be the scene of two events on Tuesday evening, Oct. 15 -- the PTA Book Fair and the Open House for parents of seventh and eighth graders.

The Book Fair, which has grown increasingly popular with both parents and youngsters in the past few years, will be held that evening in the Junior High gymnasium. Books for every taste from tots through young teens will be on display, ranging from science and biography to fiction of all varieties, including classics, mysteries and adventure stories. Paperbacks and colorful picture books for pre-schoolers will be available also.

The Fair will be set up earlier at all three schools and children will have an opportunity during school hours to browse and choose their favorites. All orders will be taken on Tuesday evening, however; at which time parents are invited to visit the Fair and select books for their youngsters. These books make marvelous gifts for Christmas and birthdays, and the price range is reasonable.

The Junior High School teachers will hold two 20-minute classroom sessions during the evening also; the first from 8:15 to 8:35, the

second from 8:40 to 9:00. Parents will not be able to visit every class, but will have ample time to acquaint themselves with the subject matter of several courses.

The evening's activities will begin with a brief business meeting in the gymnasium at 7:30 sharp. Refreshments will be served by the Room Mothers for Miss McClellan and Mrs. Smith's seventh grades.

PTA Council Meets

Peotone School hosted the Oct. 2 meeting of the Eastern Will County PTA Council meeting. Council officers, local PTA Presidents, Delegates, Principals & Guests were in attendance. A full agenda was planned with Council president Mrs. Robert Best presiding. An informal skit indicating the value of PTA set the scene, followed by the regular business portion and reports by Mrs. K. Roth of Peotone who spoke on the May PTA convention and Mrs. M. DeLaughter of Frankfort who reported on the district council meeting. The district council meeting was devoted to the protection of our youth from trouble.

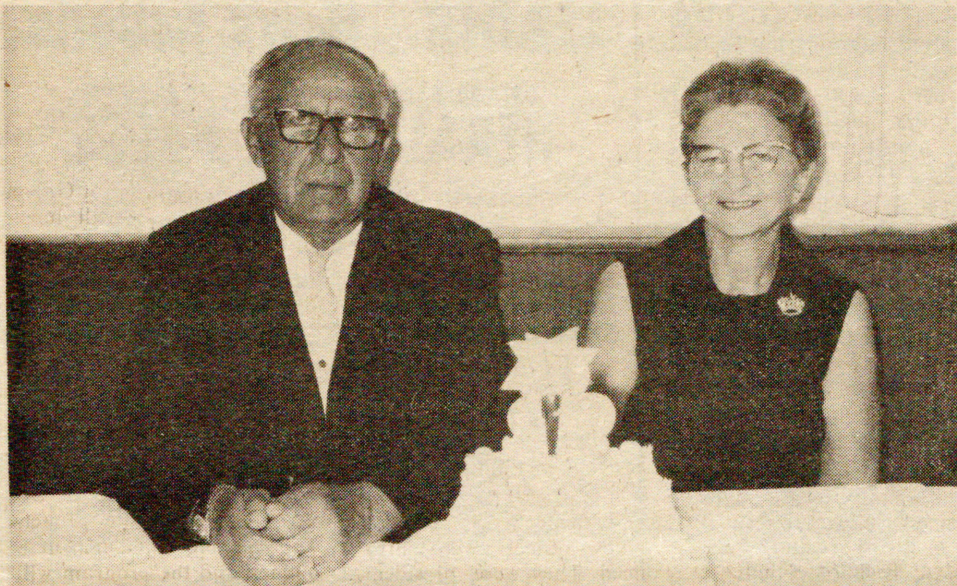

Plans and dates for forthcoming Council meetings were given and workshops

announced. Mokena, Frankfort and Lincoln Estates were among the local PTA's to receive certificates of awards for last year's Smoking Campaign.

By-laws were read by Mrs. G. Klipp, Peotone, and "Con-Con" was discussed by Mrs. Laslo Hunyady. "Con-Con" refers to the forthcoming blue ballot giving power to have a study made in regard to State Constitution revision.

Mrs. B. J. Mulig, Joliet, presented an enthusiastic talk on various aspects of the real meaning of PTA with emphasis on the responsibility of the delegate to Council and the responsibility of Council to the delegates.

The next Council meeting will be held Nov. 7 at the Manhattan School.

Two Health Hazards at Olympics

Copyright 1968 World Book
Science Service

When the XIX Olympiad begins at dusk on Oct. 11 in Teotihuacan near Mexico City -- and at an altitude of 7,500 feet -- several medical problems will confront the competing athletes and some 200,000 spectators.

The two most compelling of these hazards will be adapting to the decreased amount of oxygen available and gastroenteritis, the so-called travelers' diarrhea.

Gastroenteritis is a common occurrence for most visitors to any tropical

Medical MEMO

By BETTY JOHN

country. It is not a specific disease, but a syndrome or group of symptoms such as nausea, vomiting, abdominal pain, watery diarrhea, headache, chills and mild fever.

The finding of high fever or bloody stools should alert one to the possibility of more serious disease caused

by specific micro-organisms.

"Travelers' gastroenteritis should not be accepted as inevitable," says Dr. Clayton Thomas of Harvard's School of Public Health. "Trouble can be avoided by consistent care."

He urges everyone going

to the Olympics to check on health measures with his own physician when getting immunization shots. He discusses the problem in the Sept. 9 Journal of the American Medical Assn.

He reports that a team of doctors investigating measures of protection against ordinary gastrointestinal complications has found that the drug succinylsulfathiazole works successfully while in no way influencing the body's ability to deliver sufficient oxygen to its working muscles.

Though the doctors could not agree on the exact time necessary for full acclimatization to the high altitude some felt that several months were not enough.

MORE ON ALTITUDE-- According to Dr. David B. Dill of the Desert Research Institute, athletes can achieve sea-level performances even at an altitude of 13,200 feet. And doctors in Peru call attention to the athletic prowess and fitness of the Andean natives who live at high altitudes.

NEW HEART AID-- Dr. Edmund S. Sonnenblick of Harvard predicts that glucagon, a hormone used to alleviate low blood-sugar and recently synthesized by a German scientist, will be a safer and more effective treatment for cardiac failure.

AND A SUIT--The National Heart Institute is developing a pressure suit designed to compress and release the extremities of a heart attack victim in rhythm with his heart, thereby quickly reducing its workload.

Henry may not look like much of a hero, but he could become the means of discovering the cure of a major disease. Henry is a golden Syrian hamster, one of 170,000 distributed by the National Institutes of Health to scientists throughout the country for experimentation.

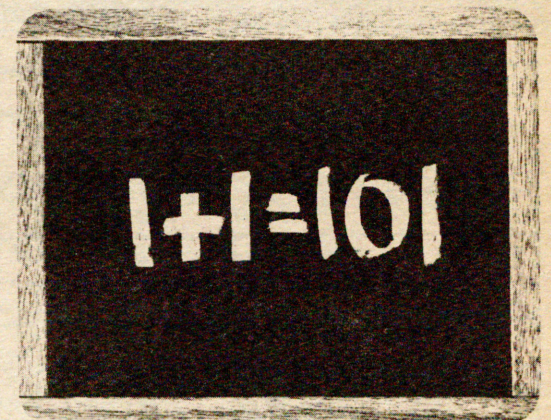

Adult hamsters weigh about four ounces (see notepad for comparative size). They are useful in studies of virus diseases, in assaying methods of controlling tooth decay, and in testing experimental surgical and chemical techniques in cancer research. Henry holds a piece of "lab chow" in his mouth.

The Junior Scientist

Trail of Our First Settlers

Copyright 1968 World Book
Science Service

Most scientists agree that the first inhabitants of our continent came from Asia. They probably crossed over from what is now Siberia to what is now Alaska by way of the Bering Sea.

There is great uncertainty - even heated debate - as to when the first American settlers arrived.

The Asians obviously could have crossed only when the passage was open. It is thought that a great ice sheet cut off the route from about 23,000 years ago to about 11,000 years ago.

Therefore, the crossing would have to have been made before or after that period.

How have scientists figured out as much as they have? First, there is the archaeological evidence. Weapons, like spearheads, some tools and other artifacts have been found.

One of the archeologist's most useful techniques is radioactive carbon dating. We know how long it takes radioactive carbon to decay or disintegrate so that only half of it is left.

This time is called the half life, and for carbon it is

about 5200 years.

By measuring the present radioactivity level of a carbon - containing substance such as wood, it is possible to figure out how many half-lives have gone by since the tool in which it was used was made. Thus, archeologists can date many of their finds.

Geologists are also helping to solve the mysteries of our ancestors. Scientists from the University of Washington are taking samples from the floor of the Bering Sea. These earth cores will be very carefully analyzed for clues about when the route to the New World was passable.

Now help this dinosaur find the shortest route through the maze.

FIXED STARE

Owls differ from most birds in having eyes that point forward. For this reason, owls can watch an object with both eyes at the same time, and have binocular vision, like men. But, unlike man, owls cannot move their eyes in their sockets, so they must move their heads to watch a moving object.

Marley Missionary Group To See Tahiti Slides

Virginia Sass
Telephone 485-6424

The Marley Missionary Society will meet on Oct. 16, at 7:30 p.m. in the Marley Community Church. The hostesses will be Mrs. Francis Peterson, Mrs. Russel Lauffer, Mrs. Charles W. Lauffer and Mrs. Clare Berg. The program will be presented by Mrs. Leland Roth of Joliet. She will show slides on "Tahiti". Mrs. John Burger will give the devotions.

Eugene Malone, executive secretary of the Will County Farm Bureau, will speak on revision of the Illinois Constitution, at the meeting of the Homer School Club at the school at 8 p.m., on Oct. 17. Malone is public relations chairman for the introduction of the "Con-Con"

need. Illinois voters will be given blue ballots to vote on this proposal at the November 5 election. Anyone interested is welcome to attend this meeting.

Word has been received of the death of Clifford Storm on September 28 at Glendale, California. Mr. Storm who was a native of the Marley community, had resided in Glendale for many years. He is survived by his wife and son.

Mr. and Mrs. Loren Sass spent last week in northern Minnesota. They were weekend guests in the home of their daughter and family, Mr. and Mrs. LaVerne Hermann and Karla, at Moorhead and then they spent a few days at Jellison's Log Cabin, a fishing resort at Grand Rapids.

Cpl. and Mrs. George Yapp have been transferred from Great Lakes Naval Base to North Carolina. Their new address is: 10 Azalea Ave., Havelock, North Carolina 28530.

Mrs. Morrie Goodwin and Miss Marion Handorf have returned home from Breckenridge, Colo. where they were guests in the home of Mr. and Mrs. Dave Bruns.

Laymen's Sunday will be observed on October 13 in the Marley Community Church. The worship service

at 10:30 a.m. will be led by the Luther Schilling family of Maple Road. They are members of the Parkview Baptist Church in Mokena. Mr. Schilling is Superintendent of the Homer Community Consolidated School.

Mrs. Schilling will join Mr. Schilling in the service with devotional thoughts. Their son, John, will bring an added feature to the service -- he will play the trumpet.

An electric dryer costs up to \$40 less than a gas dryer.

That's the first load off your mind.

Go ahead. Spend a few dollars less, and get the best clothes dryer going. It's the Electric Dryer.

Spend a lot of dollars less (as much as even \$40 less); and *still* get the best clothes dryer going. It's still the Electric Dryer.

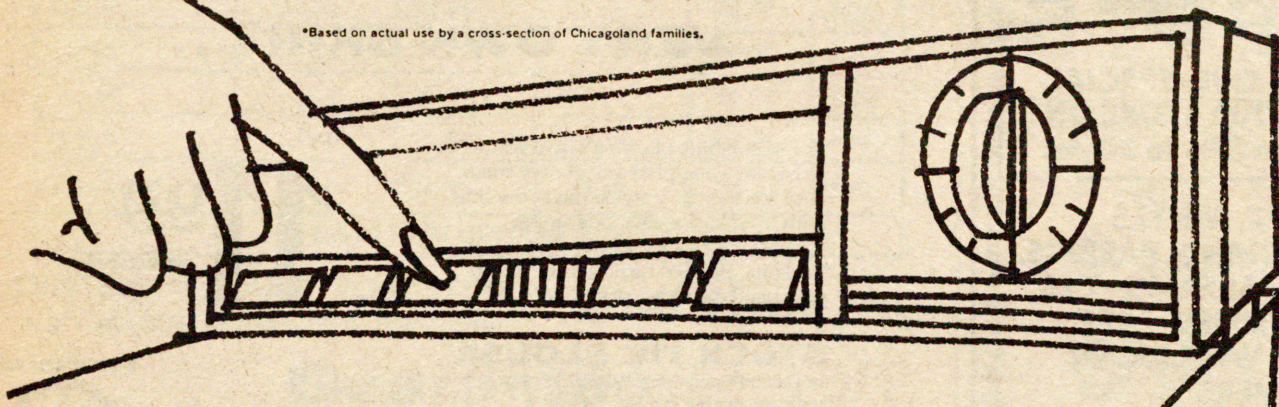

And when you get it home, you can run it for less than 30¢ a week! (So, actually, with that \$40 you can save by buying an Electric Dryer, you can figure you're doing your laundry *free* for about three years!)

Meanwhile, you're also getting all the other advantages of electric drying: precise control, little or no maintenance, and gentle, radiant heat—like sunshine.

It's the all-in-one dryer that starts out being easy on your wallet and ends up being easy on your laundry—delicate fabrics to wash-and-wear. That's the Electric Dryer for you. It specializes in the right touch, start to finish.

Commonwealth Edison Company

*Based on actual use by a cross-section of Chicagoland families.

Parent-Teachers Will Pay Tribute To Dads

Mrs. Edward Hovi
Telephone 479-5740

The Summit Hill Parent-Teacher Group will have their October meeting tonight, (Oct. 10) beginning at 8 o'clock.

This will be Father's Night and the winners of the "My Pop Is Tops" essay contest will be posted on the hall boards. The contest was open to all children from second to eighth grade.

Following the meeting there will be a talk by Tom Lewis the basketball coach from the Lincoln-Way High School. Mr. Hodson, the public relations director of the Beverly Bank, will discuss the merits of organizing the "Block Parents".

This is an idea whereby different parents are set as "Block Parents" to assist a child who may be injured or become ill on the way home. This has proven to be of help in other areas, it was said.

An attempt is being made to organize a mixed bowling league at the Tinley Park Lanes for 6:00 p.m. on Sundays. Anyone interested may contact Alan Borchert at 479-5998 for further information.

The baseball banquet, held last week, saw a good turnout. The dinner was good and the boys and their parents were pleasantly filled.

Following the dinner the president, Len Gunty, thanked the various workers for their efforts on behalf of the boys.

This warm-up brought the evening to the main event, the presentation of the trophies to the deserving boys.

A team trophy was presented to B Team No. 2, managed by Mr. Terracina's team, since it had gone the entire season undefeated. In addition, each member of the team was presented with a small individual trophy.

A team trophy was also presented to the Pony team, managed by Foster Tekotte, as the winners of the Lincoln-Way League. Individual trophies were presented to each member of the team.

The performance trophies were then presented to the individuals deemed deserving by the managers and

coaches and each team.

The Farm Team No. 1 had for Most Valuable Player, John Smith; on Farm Team No. 2 it was Earl Cullison, and the Farm Team No. 3 Jeff Haas.

The three B Teams had two trophies each: B Team No. 1 had for most improved player, Don McGowan, and for most valuable player, Kevin Gunty; B Team No. 2 chose, Dennis Meumayer as most improved player and Dale Rutan as most valuable. B Team No. 3's most improved player was Curt Hayden, and its most valuable, Tom Gray.

The Pony Team had Mark Sandy as most improved and Blake Teholte as most valuable.

On the A Team Chuck Jensen was voted most improved and Paul Homer, most valuable player.

Congratulations to the recipients of the trophies and to the other boys who gave their talents to make baseball popular in Arbury Hills.

The Arbury Hills Civic Association dance for the beautification of Arbury Hills is rapidly approaching, with the date being little more than a week away on, Saturday. The dance is to be held Oct. 19 in V.F.W. Hall on Wolf Road, Mokena.

Women to Hold Candidates Luncheon

The Frankfort Township Democratic Women's Club will hold its Candidates' Luncheon on Oct. 16, at 12:30 p.m. at Prestwick Country Club.

The guest speaker will be our State Auditor Michael J. Howlett.

Tickets are \$2.35 and may be obtained from Doris Sangmeister of Mokena, Rosemary Wheeler of Frankfort, Margaret Boyden of Frankfort or Sangmeister Electric Sales

It will begin at 9 o'clock with the music again provided by Gus Reno and his Combo. The cost of the tickets remains the same as last year, \$1.75.

There will also be given out three gifts at the dance; a week end for two at the Pheasant Run resort in St. Charles, valued at \$150, a portable TV set; and a \$25 savings bond. The member of the Civic Association canvassing with the tickets for the dance will answer questions, pertaining to the gifts.

Last year's dance showed its profits in the landscaping or the two main entrances to the community. This much needed project was recently completed in an eye-pleasing manner to the gratitude of all by Mr. Johnson, the landscaper

There will be an organizational meeting to re-form Cub Scouts in Arbury Hills. It will be held in the all-purpose at the school Monday evening, Oct. 14, beginning at 7:30 o'clock.

If you are interested in again having a Cub Scout Pack in Arbury Hills, please attend this meeting. If you have a boy or boys who would be prospective Cub Scouts, from eight through, but not including, eleven, please bring them along.

As everyone well knows, any organization requires the cooperation and help of all concerned. The adults are not limited to those who have boys of the proper age, all adults who would be interested in lending a hand are welcome. Please come!

The First Nighters will have their (Oct. 10) at the

home of Mrs. Tom Mortensen, 19511 South Walnut St.

There will be an election meeting held at the school tomorrow night, October 11, beginning at 8:00 P.M. in the all-purpose room.

A film study of slide pictures with a narration will be shown followed by the presentation of some of the local and state candidates for

office in this election next month.

All voters are urged to attend to become more informed about the candidates from the national to the local level.

There will be a coffee social for those attending following the meeting, so that you may meet and talk with your fellow-voters.

The place you've got to go to see what's going on—your Ford Dealer!

That's what millions of people discovered when they crowded into Ford Dealer showrooms this weekend! What did they see?

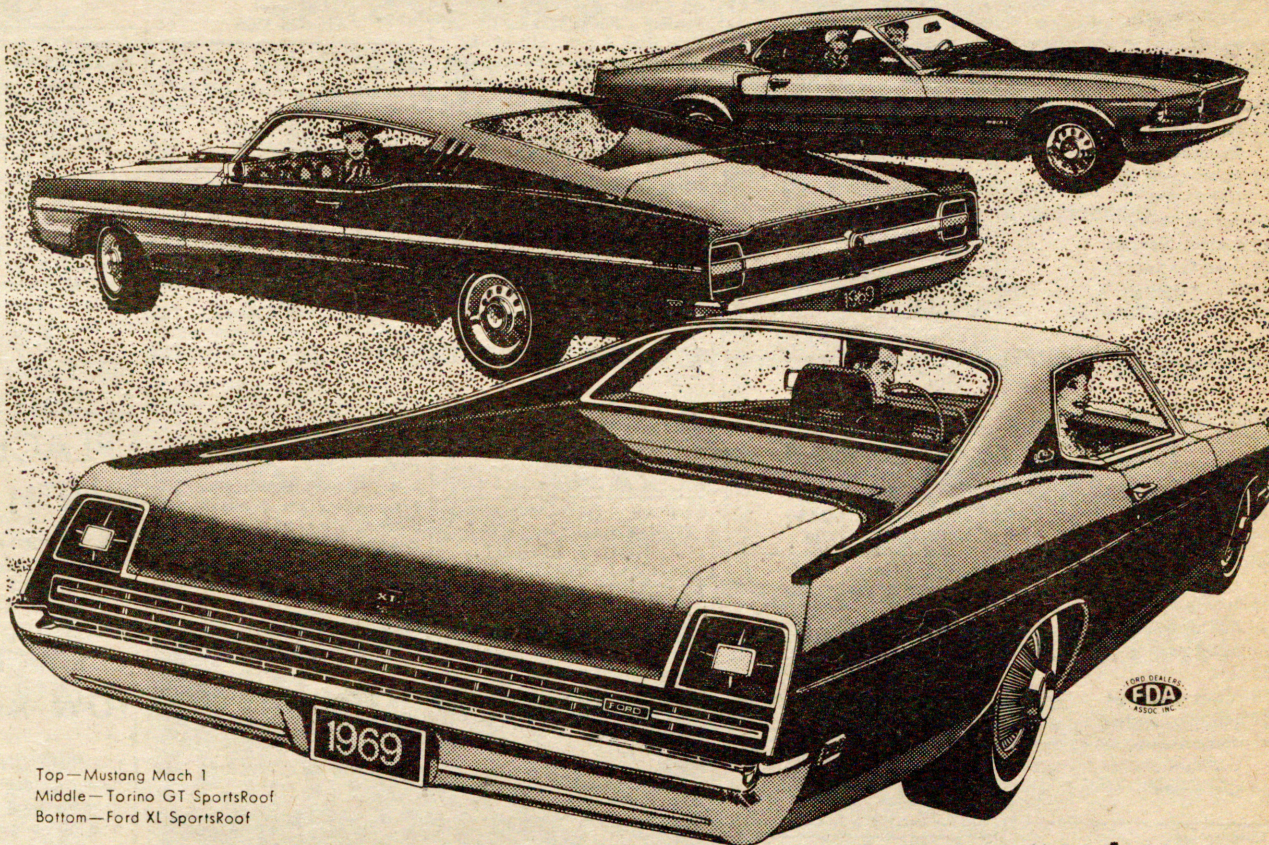

A Ford with as wide a track as Cadillac...a longer wheelbase than Chevrolet...with more front headroom and legroom than a Chrysler Imperial.

Five totally new Mustangs.

Six new Torinos and two hot new Cobras that give us a real corner on performance.

What's more, our showroom crowds are doing a lot more than just looking. They're buying! We sold more Fords this past weekend than on any other first weekend in history.

The Going Thing is going just great!

Mokena Immanuel Women Plan Annual Fall Festival

Telephone 479-9321

The annual Fall Festival is being given by the women of Immanuel Lutheran Church, LaPorte Road, Mokena, on Wednesday, Oct. 16, from 7 to 9 p.m. and 10 a.m. to 2 p.m. on Thursday, Oct. 17.

A Luncheon will be served from 11:00 to 1:00 p.m. on Thursday and coffee cake and coffee on Wednesday evening.

day evening.

Many items will be for sale including toys, aprons, novelties, Christmas items, etc. Also the Country Store will have many homemade goodies and again the Nearly New Shop will be featured.

Come one, come all, coming soon! The Borger Brothers Circus Friday, Oct. 18, at the Willowcrest School in Mokena. There will be

two performances, 4 and 8 o'clock p.m. Price of tickets, children 75 cents and adults \$1.25. Ask the 7th grade students about the tickets or see Shelia Wilhem.

This is a Mokena P.T.A. project.

Meeting of the V.F.W. Auxiliary 725 of Mokena was held on Oct. 3, at the post headquarters.

Estelle Weiss received

her 15 year pin at this meeting. Card party for Oct. 12 workers will be, Josephine Raizer, Olive Williams, and Edna Spiess.

The auxiliary is selling dish cloths at 25 cents a piece, anyone wishing to buy them can call, Alice Grybash at 479-5125.

We want the addresses of the Mokena boys and girls in the service to send them something for Christmas. Call Pat Larson at 479-5236.

"Kick Off" dinner for the Post and Auxiliary will be held at Lockport V.F.W. on Nov. 9. Get your reservations in now.

The annual Friendship Tea of the Mokena Woman's Club was held on Sunday, Oct. 6 at the home of Mrs. George Sangmeister. Fur Fashions by Arvid Kastman of Joliet were the highlight at the tea. Mesdames Thomas Deeb, Francis Doyle, Louis Richards, Franklin Weber, and Walter Welsch modeled the fashions.

A very enjoyable afternoon was had by all in attendance.

Last Saturday the Burros football team had its annual fund drive in Mokena. It surpassed all previous drives, \$280 was gained for the team. This week a drive

will be held in Frankfort, Saturday morning.

Saturday the Pee Wee team played Addison, one of the powers in the Pee Wee league. The Pee Wee tied Addison 7-7 as a result of a Scott Sonderyard to Scott Sandy pass. Sunday the lightweights kept their title hopes alive by beating Franklin Park 6-0 with Gregg Becker scoring.

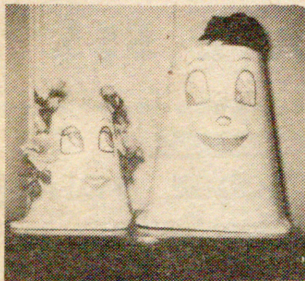

The heavies took league lead away from Franklin Park in the George Halas league by containing Franklin Park all afternoon. Prior to Sunday's game, Franklin Park had averaged 48 points per game. Pat Loftus scored both touchdowns for the Burros in the 16-12 win.

This week the Pee Wees and lights are home on Sunday. The lights play at 1:30 p.m. The Pee Wees play at 3:30 p.m. The heavies play at Oak Park.

BIRCH AND OAK FIREWOOD

Open Letter from the HIRSCHS'

Dear friend,

Yes, there is such a thing as an "expensive" funeral. Any funeral is expensive if the cost means hardship to those who survive. That is something which always should be considered.

Many clients have talked this matter over with us frankly, and they have found that the problem can be solved without detracting from their natural desire to pay fitting tribute.

Complete information is yours for the asking.

Respectfully,

Erin Hirsch
